Please note the terms of use:

These printables are provided free of charge and are for personal use only.

You may:

Print as many copies as you'd like

Use them in a group or classroom setting

Share the link to my blog to other people who are interested in the pack

Post online about the pack giving proper credit back to RoyalBaloo.com

You may not:

Sell or distribute this file

Host this file on your own website

Upload this file to a shared website (i.e. 4shared.com)

Claim these files or sell them as your own

Link directly to the pdf file online

Print and sell them to others

Graphics: Purchased from [Melonheadz Illustrations](#)

I reserve the right to change these terms of use at any time.

Johnny Appleseed was a real man that lived in America in the late 1700s.

♥1992

Johnny Appleseed traveled around the U.S.
planting apple trees. He planted entire orchards!

Back then, apples weren't usually eaten. Instead they were used to make cider – a thick juice that was safer, tastier, and easier to make than other drinks at the time.
