

Snowman Math Pack

Thanks for downloading the Snowman Math Pack!
Be sure to check back for more packs!

Please note the terms of use:

These printables are provided free of charge and are for personal use only.

You may:

Print as many copies as you'd like

Use them in a group or classroom setting

Share the link to my blog to other people who are interested in the pack

Post online about the pack giving proper credit back to RoyalBaloo.com

You may not:

Sell or distribute this file

Host this file on your own website

Upload this file to a shared website (i.e. 4shared.com)

Claim these files or sell them as your own

Link directly to the pdf file online

Print and sell them to others

Clip purchased from
[Scrappin Doodles](#)

I reserve the right to change these terms of use at any time.

Thanks Erin @Royal Baloo

Estimation

1. How many marshmallows do you think you can pick up with one hand?

Take a guess _____

2. Now pick up a handful of marshmallows. Look at how many are in your hand and make an estimate of how many there are.

Estimation _____

3. Now count the marshmallows that you picked up.

Actual Amount _____

Were you close? Did you guess correctly?
How far off were you with your guess and your estimation?

To find out:

Guess: $\frac{\quad}{1} - \frac{\quad}{3} = \frac{\quad}{\quad}$

Estimate: $\frac{\quad}{\quad} - \frac{\quad}{\quad} = \frac{\quad}{\quad}$

Number Maze

Follow the even numbers to get through the maze to the snowmen on the other end!

24	62	78	71	47	34	95	89	38	72
31	43	44	23	66	75	35	77	33	26

Roll and Tally

Put together the die. Roll and use tally marks to mark what you have rolled. Add up the totals and write in the box. Then figure out which one you rolled the most and least.

		Which one had the most?
		
		
		Which one had the least?
		
		

Comparing Snowmen

Compare the two numbers and write $<$, $>$, $=$ in the box
