Meet the Reindeer

Santa has 9 reindeer and they are all very special. They are best friends and love to play games together, but they all have their own personalities.

Dasher likes to be all dressed up just in case Mrs. Claus comes by. (he is always quite a gentle reindeer)

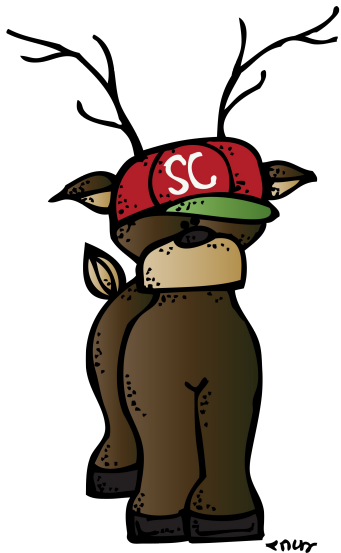

Dancer is always getting lost so Santa gave him a bell on his hat. Now you can hear him coming or going a mile away!

Prancer loves to cook and bake, especially cookies! (Santa always enjoys the cookies Prancer bakes!)

Comet thinks she is a queen and is always asking Santa if she can lead the herd.

Vixen really enjoys sports. He loves to play for Santa's baseball team the most. (They almost always win when they play the Elves)

Cupid really likes to be fashionable. He has a collection of 30 bowties already! (But he would always like more!)

Blitzen loves to wear soft and silky scarves! She tried to learn to knit her own scarves, but her hooves kept getting in the way!

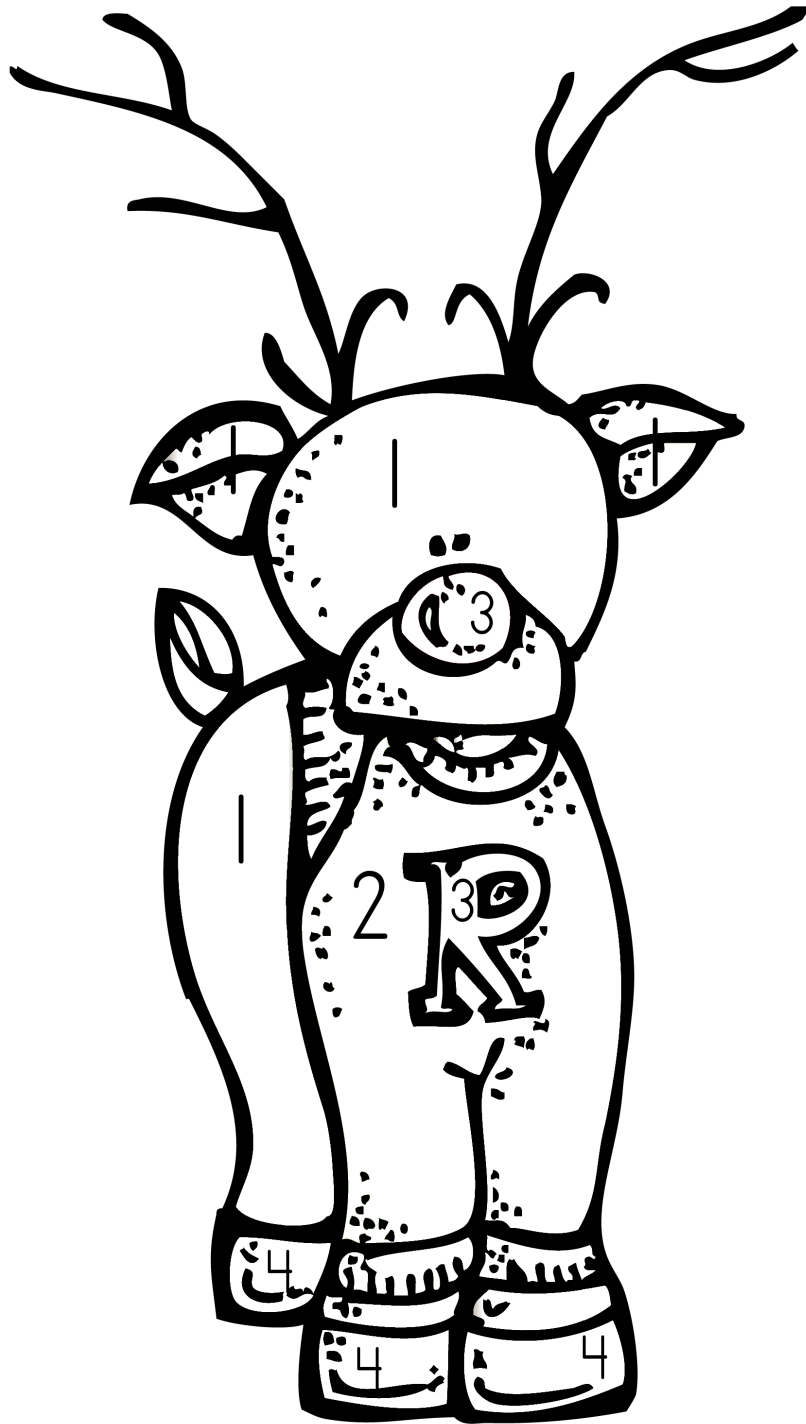

Donner finds it to be very cold at the North Pole. He will only venture outside when he can wear his scarf and earmuffs!

Rudolph loves to play reindeer games and help Santa lead the sleigh. But he especially enjoys reading at night (using his nose as a flashlight!)
